## Booking FINE 1: Foundation Toolkit

### Where can I find information about FINE 1 courses and dates?

- Go to [www.finetraininguk.com](http://www.finetraininguk.com) and click on the “Courses” tab to find information and dates.

### Can anyone enrol for FINE 1?

- The course is suitable for any healthcare professional working with infants in a hospital setting.
- Parents, neonatal charity organisers and hospital administrators or managers may also attend.
- The UK based course is not suitable for people who are not fluent in English.

### How can I book a place on a course?

- If you can pay with a credit card or via PayPal the easiest and quickest way to book your place is through our website [www.finetraininguk.com](http://www.finetraininguk.com). Click on the “Enrol Now” button on the Courses page and follow the booking instructions.
- When you follow through to payment you will be asked to create an account password. You will receive an email to let you know your account has been created and you can log in via the ‘COURSE LOGIN’ button on the site with your login details and your chosen password to get immediate access to the course materials.

### What do I do if paying with a credit card or PayPal is not possible?

- Contact us on [info@finetraininguk.com](mailto:info@finetraininguk.com) to ask for an invoice so that you can pay by cheque or bank transfer.
- You will need to provide the full details of the person or department to whom the invoice must be submitted: name, email, telephone number and address.
- If your employer will be paying for your place we will send a draft invoice and they will issue a purchase order so that we can submit the final invoice with the PO number.
- There will be a delay between application and reservation while we wait for purchase order or payment to come through. We then confirm dates and send you a password reset message so you can start the course.
- If we are not registered as a supplier with your HA the Procurement Office may want to set this up. On our website [www.finetraininguk.com](http://www.finetraininguk.com) you can download the Company Details document which has the information they need for this.
- We need your name and email address so that we can contact you to complete the enrolment process.

- This process can be slow and we cannot guarantee that the date you hoped for will still be available.
